

Registering for Password Management

1. Go to the [SOM Password Management Site](#)
2. Click "Register for Password Reset" and follow the prompts.
3. It is recommended that you register at least 2 methods for password recovery

The screenshot shows a web browser window with the URL <https://account.activedirectory.windowsazure.com/profile/Default.aspx>. The page header includes the University of Maryland School of Medicine logo and navigation tabs for applications, groups, approvals, and profile. The profile section is highlighted in blue and contains the following information:

USER ID	@som.umaryla	PHONE	N/A
ALTER NATE EMAIL	N/A	MOBILE PHONE	N/A
DEPARTMENT	N/A	OFFICE	N/A

Annotations include:

- A red box on the left contains the text: "SOM Users cannot modify this personal data. If you wish for this to be updated please contact the SOM Help Desk." An arrow points from this box to the profile information area.
- A red box on the right contains the text: "Click this button to register for Password Reset (if you forget your password in the future)". An arrow points from this box to the "Register for Password Reset" button.

The "Register for Password Reset" button is located in the bottom right of the profile section, featuring a lock icon and the text "Register for Password Reset". Other buttons visible include "Change password" (with a key icon) and "Devices" (with a smartphone icon).
