NOTE: chairs in classroom settings could be missing or rearranged. Please check the room after you receive confirmation to use the space. If seating is not adequate, please place a work order with General Services to have additional seating installed. In addition, if food service tables are needed in any location, please submit a work order for this as well – after you receive confirmation to use the space.

For General Services work orders: Go to webtma.umaryland.edu:81/ and follow prompts to submit a work order request.
