Subject: Invitation to Medical Student Research Day, November 15 and 16, 2021

Dear Medical Students:

The Alpha Omega Alpha Honor (AOA) Medical Society and the Office of Student Research in the Dean's Office cordially invites all medical students to the **44th Annual [Medical Student Research Day \(MSRD\)](#)** to be held in the afternoons of **Monday, November 15 and Tuesday, November 16, 2021** virtually through Zoom. Medical Student Research Day is a proud tradition at the University of Maryland School of Medicine. **We invite current Medical Students who have completed at least one year of medical school to present their research during medical school** in either oral presentation or poster presentation format. Presentations will be judged, and awards and monetary prizes will be given in recognition of outstanding research presentations.

Please plan to join us for the **keynote address, student plenaries, and the special student research panel** in addition to the two afternoons of **student presentations**. We invite you to also join us during the **awards recognition** at the end of the second day to celebrate your research achievements, your participation in MSRD, and the honored awardees. Please come and support your fellow medical students, peruse the wide range of research, and enjoy the festivities.

All are welcome to attend MSRD. Please feel free to extend the invitation to your faculty mentors and other research colleagues. The event will begin with opening remarks, keynote address, and student plenaries at 1 p.m. on Day 1, presentations from 2:30-5:35 p.m. on Day 1 and continue with student plenaries at 1–2 p.m. on Day 2, presentations from 2:10 to 3:15pm, Special Student Research Panel from 3:25–3:55 p.m., and will conclude with the Awards segment at 4 - 4:30p.m. Please respond through the [MSRD Interest Form](#) by **October 15** if planning to attend the event as a general attendee.

If you would like to present at MSRD, you must first register your presentation and then later submit your abstract. Presentation registration is currently open and due by October 15. Detailed information including eligibility and presentation registration are attached and can also be found in the "Presentation Registration" document available on the event webpage. **Abstract submission** for registered presentations will **open on October 6 and close on October 19.** Detailed instructions for abstract submission and procedures for presenting will be provided. **Please note that prizes will be conveyed only to those awardees who are present at the Awards segment.**

Questions regarding MSRD can be submitted through the [Ask MSRD](#) form.

Sincerely,

Alpha Omega Alpha Honor Medical Society
Maryland Beta Chapter
