

Interested in Participating in a Balance study?

In an effort to determine the role of fear of falling
in balance and fall risk,
we are seeking subjects as part of a research study at
the University of Maryland

**Are you...
Between ages 18-25 or 60-88?
Fearful of falling?
Not fearful of falling?**

...then you may be eligible to participate in this study.

With your participation,
you will receive a balance and MRI assessment
Financial compensation and parking may be provided.

If interested, please contact Kelly Westlake:
