

UNIVERSITY of MARYLAND
SCHOOL OF MEDICINE

2023 MARYLAND CRITICAL CARE CONFERENCE

Organ Failure Dominoes

Thursday, October 19 • 8:30am-5pm

SMC Campus Center

621 W Lombard St, Baltimore, MD 21201

LEARNING OBJECTIVES

- Identify symptoms and signs of pending organ failure.
- Explain how organ failure can occur and what steps can be taken to avoid such an outcome in seriously ill patients.
- Explain how failure of one organ system can affect the function of other organ systems.
- Demonstrate knowledge of early interventions by the clinical team to manage organ failure in the critically ill patient.

TARGET AUDIENCE

This meeting will be of interest to critical care, rehabilitation, and palliative medicine physicians, residents, fellows, advanced practice providers, nurses, respiratory therapists, pharmacists, rehabilitation therapists, and other healthcare professionals in critical care medicine.
