Caitlin Eggleston Promoted to Director of Clinical Research

Congratulations to Caitlin Eggleston on being promoted from Clinical Research Manager to Director of Clinical Research! She started her new role in February.

Dr. Phuoc Tran Honored at University of Texas Symposium as Distinguished Professor

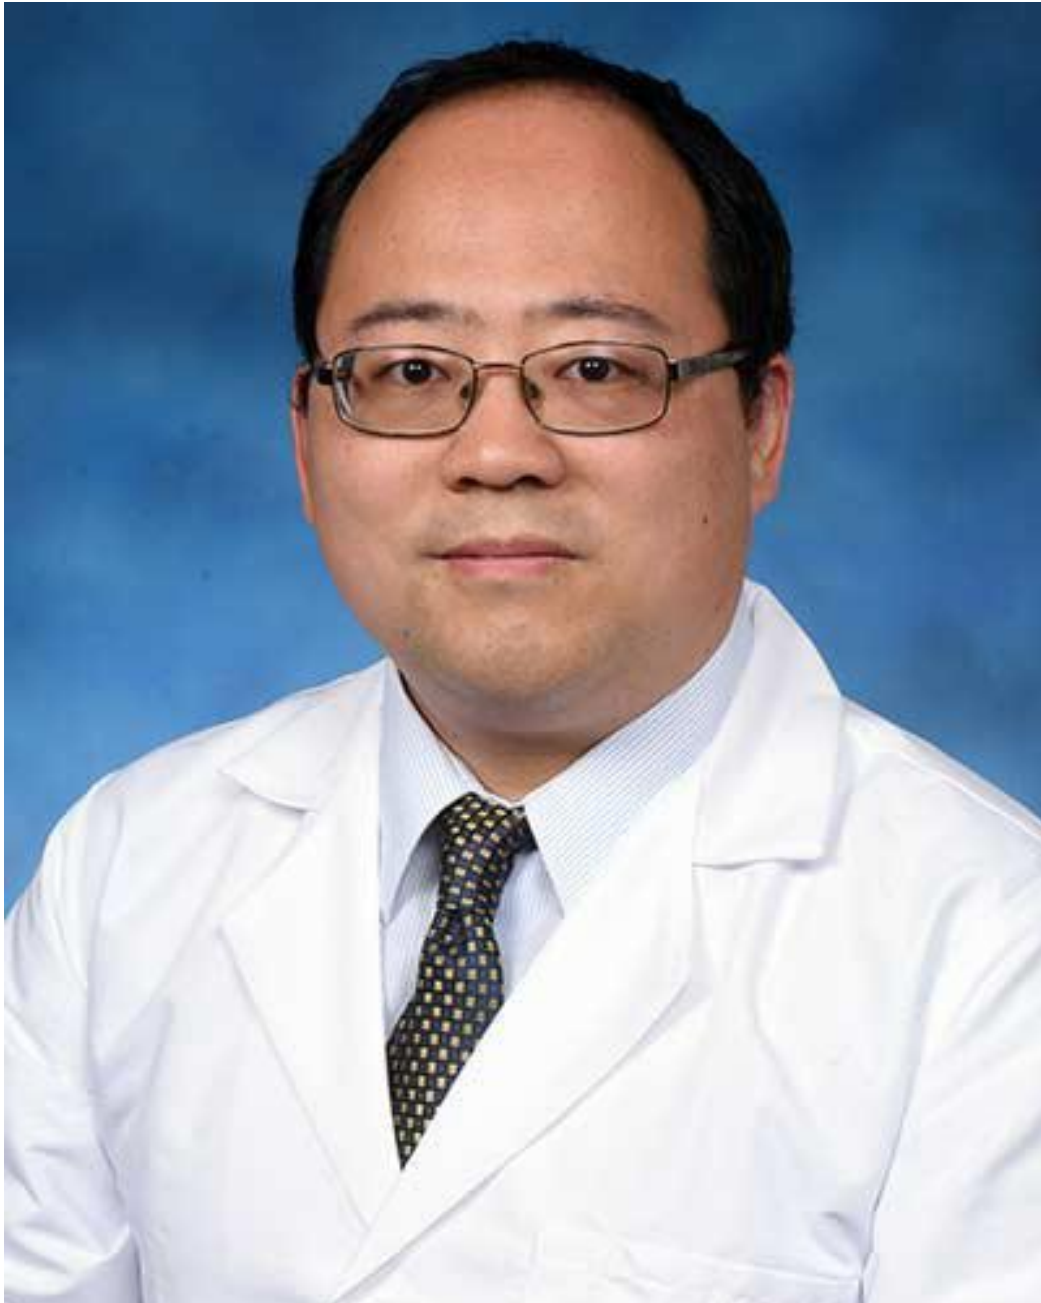

In this photo, Dr. Tran is honored as Distinguished Radiation Oncologist at the Third Annual University of Texas Christopher G. Wood Austin Advances in Urologic Oncology Symposium. His presentation was on, "The Space-Time Continuum in Metastatic Castration-Sensitive Prostate Cancer: The Final Frontier?"

University of Maryland Baltimore: 3rd Annual Department of Radiation Oncology Research Symposium

The Department of Radiation Oncology held its 3rd annual symposium on Friday, March 28th. We are grateful for the ROBIN OligoMET Center members, DORA, and everyone who supported this event!

The American Association of Physicists in Medicine (AAPM) Research Spotlight Featured Dr. Lei Ren

Dr. Lei Ren was interviewed in the March/April edition of the AAPM newsletter. The article titled "Digital Phantoms, Virtual Trials Drive Improvements in Care" explores how virtual patient models advancement can enhance outcomes. Click here to [read more](#) on page 29.

Midday Maryland Segment Featured Dr. Phuoc Tran

In late March, Dr. Tran discussed prostate cancer and benefits of proton therapy with Greg and Gina on Today's 101.9FM morning show. To listen to the interview, click [here](#).

New Hires and Farewells

Farewell and best wishes to Dr. Eddie Imada who joined Johns Hopkins University in April 2025. We're grateful for his contributions and wish him all the best in his new role!
