

**Department of Surgery
FY 2017 Annual Report
July 1, 2016 to June 30, 2017**

EXECUTIVE SUMMARY

The Department of Surgery had an outstanding FY 2017. We exceeded our clinical charges and revenue, increased outside provider contracts, increased grants and contract submissions, negotiated new PSC support and new VA support for our providers and had a profitable bottom line. The Department continues to increase and strengthen its core mission of education, patient care, and research. We also created a new Surgery Executive Committee to manage the day-to-day operations of the Department, reporting back to the Chairman. In FY17 we added sixteen (16) faculty to the Department, four (4) of which were recruited to the Trauma Program. The past year also included transition as we had fifteen (15) resignations/non-renewals.

CLINICAL OVERVIEW

Overall, the charges and collections in FY 2017 exceeded both target and prior year. We credit a large part of this increase to the EPIC implementation. Our electronic medical record has permitted to us to have a more detailed charge capture documentation, which increased both our charges and collections. We also were very successful in adding additional provider contracts that increased our referral base and permitted us to grow our footprint throughout the State of Maryland.

The table below shows our Charges and Collections vs target and vs prior year.

	FY 2017 Target	Previous FY	FY 2017 Year-End	Status & Var. Trend		
Total Charges YTD	\$77,943,382	\$75,160,41	\$86,537,724	✓	11.0%	↑
Total Collections YTD	\$23,214,711	\$22,584,93	\$25,317,000	✓	9.1%	↑

The clinical programs primary case volume at UMMC in FY 2017 was 9,106 representing a 2.3% increase over FY 2016. We budgeted 9,455 cases for UMMC. We were able to transfer 305 additional ambulatory Urology cases to the Urology ASC in the 419 W. Redwood building and 116 additional ambulatory cases to the University of Maryland Midtown campus, thereby creating a positive variance of 72 cases for the year. These transfers permitted UMMC to free-up OR time for additional inpatient cases, was more cost effective for UMMC and generated additional collections for the Department.

Overall, billable case volume at all locations (system and non-system hospitals) was 12,270, representing a 5.1% increase over FY 2016. We budgeted 12,864. University of Maryland, St. Joseph Medical Center has the largest reduction in case volume, missing budget by 222 and prior year by 54.

4

FINANCIAL OVERVIEW

The Department budgeted make a profit of one dollar in FY2017. This budget included operating subsidy of \$2,791,436. With a 9% increase in cash collections, an overall 5% increase to total revenue and keeping total expenses within 1% of budget, the operating subsidy required for FY 2017 reduced to \$986,630. In future years, the UMMC has permanently allocated \$500,000 in additional PSC to cover existing structural deficits within the Division of Cardiac Surgery.

COST SAVINGS INITIATIVE (CSI)

- In FY 2017 the Department of Surgery continued to partner with the UMMC to develop a shared cost savings initiative with the goal to review all inpatient operations and incorporate efficiencies to reduce UMMC's surgical costs while maintaining patient safety, improving quality and outcomes.
- Dr. Bartlett commissioned Dr. Sarkar to spearhead the on-time start initiative at the UMMC. The initiative is to achieve a 7:15am start time at least 40% of the eligible surgical cases. If the first case starts on-time then the likelihood of having an efficiently run room is very high. Preliminary data shows that with Dr. Sarkar's leadership, seven of our eight divisions are meeting this goal.
- In order to ensure that we have sufficient beds for our increased volume, we are working with UMMC on a discharge time initiative. The initiative is to achieve a 2:00pm or earlier discharge time for at least 50% of the home, self-care inpatient admissions. Preliminary data shows that four of our eight divisions are meeting this goal.
- We continue to work with UMMC leadership, nursing and perioperative service on reducing pharmaceutical utilization. The initiative is to reduce surgery pharmaceutical costs by 2%.
- We continue to work with UMMC leadership, and nursing to reduce both length of stay and readmissions.
- The Department will continue these initiative in FY18

RESEARCH OVERVIEW

Overall, the research mission of the department had a very successful year in FY 2017. We increased overall award dollars by 15.5%, submitted 101 applications excluding non-competitive renewals and transfers. In FY2017 we added research expectations to our faculty incentive plan, representing 8% of the eligible incentive. Of the 8% research incentive, the Department met 6% of that goal.

RESEARCH

- 101 Grant Applications this Fiscal Year
- 19 New NIH applications
- 19 NIH sub-contract applications
- 3 other-Federal applications
- 42 Corporate, Foundation, & Industry sponsored applications

- 35 new awards TO Date
- 10 NIH awards/sub-contracts
- 11 other-Federal awards
- 14 Corporate, Foundation, & Industry awards
- Department of Surgery ranked 20th on the Blue Ridge Institute Ranking up from 22nd in 2015

Notable New Awards:

NIH

- Dr. Pierson – NIH U01 Admin. Supplement “Immunomodulation for Heart Allograft Tolerance”
- Dr. Wang – NIH RO1 “Intestinal Mucosal Growth in Health and Surgical Diseases”
- Dr. Bromberg – Columbia/ R01 Sub, “Innate B Cell Immunity and Chronic Antibody Mediated Rejection of Kidney Grafts”

NIH Subs

- Dr. Bromberg – Yale/NIH “Novel Biomarkers to Predict Outcomes in Kidney Transplant”
- Dr. Gammie – Mt. Sinai/NIH – “Evaluating Benefit of Concurrent Tricuspid”
- Dr. Azimzadeh – Uof Wisconsin/NIH PO1 “Tolerogenic Delivery of Donor Antigens for Cardiac Allograft Protection”
- Dr. Wu – Lehigh/NIH “Multiscale Predictive Modeling of Blood Cell Damage with Experimental Verification”

DOD/ DOD Subs

- Dr. Barth “Enhanced Immune Regulation to Vascularized Composite Allografts”

Foundation/Other

- Dr. Kaushal – Childrens’ Heart Foundation “Stem Cell Therapy Hypoplastic Left Heart Syndrome Patients”
- Dr. Kaushal – TEDCO “Neonatal Cardiac Stem Cells for Heart Regeneration”

- Dr. Bromberg – UMD College Park/JDRF “Engineering Local Lymph Node Function to Promote Systematic Antigen-Specific Tolerance”

Corporate

- Dr. Bartlett – Lung Biotechnology PBC “Cardiac Xenotransplant Development and Regulatory Approval Project”
- Dr. Bartlett – “Capital Expenditure Cardiac Xenotransplant Development”

EDUCATION

Strong match with class of interns for FY 2018 from the following programs: Geisinger Commonwealth SOM, Wayne State University SOM, University of Maryland SOM, University of Buffalo, University of Bristol, and the Sidney Kimmel Medical College at Thomas Jefferson.

Incoming Preliminary General Surgery Residents matched from the following programs: Taif University College of Medicine, Avalon University SOM, Melaka-Manipal Medical College, American University of Antigua College of Medicine, Hacettepe Universitesi.

Our graduating FY17 class matched into the following fellowships:

- University of Wisconsin-Vascular Surgery
- Wayne State Detroit Medical –Vascular Surgery
- Roswell Park-Surgical Oncology
- Medical College of Wisconsin-Pediatric Critical Care
- The Ohio State SOM- Thoracic Surgery

Medical Student shelf exam scores of 57th percentile nationally.

SPONSORED LECTURES AND SYMPOSIUMS

- Dr. Daniel Abramson Lectureship Fund – 9/15/16 – William E. Cohn, MD
- The Harry C. Hull Distinguished Lectureship – 10/20/16 – Bryan Clary, MD
- Nicholas & Helen R. Mueller Distinguished Lectureship Fund – 11/3/16 – David Hackam, MD
- Charles Getz Memorial Fund – (Getz Research Retreat) – Ronald DeMatteo, MD – 1/14/17
- Kristin Stueber, MD Plastic Surgery Distinguished Lectureship – R. Barrett Noone, MD – 4/6/17
- Robert Buxton Distinguished Lectureship – Allan Kirk, MD – 6/22/17

FY2017 FACULTY RECRUITMENTS

- The Cardiac Surgery Division added Dr. Kristopher Deatrck. Dr. Deatrck completed his M.D., Surgical Internship and Residency at the University of Michigan Medical School, Ann Arbor, Michigan. After completing his residency, he stayed on at the University of Michigan to complete both a Thoracic Surgery and Pediatric Cardiac Surgery Fellowship. Dr. Deatrck is an Assistant Professor and works closely with Dr. Sanjay Kaushal and is helping to build our Pediatric Cardiac Surgery and Pediatric Heart/Lung Transplant Programs.
- The Cardiac Surgery Division brought back Jhongjun Wu, Ph.D. after a brief tenure at the University of Louisville, Speed School of Engineering. Dr. Wu is the Peter Angelos Distinguished Professor of Surgery in Entrepreneurial Surgical Science who and works closely with Dr. Bart Griffith. He has a joint appointment with the University of Maryland College Park, Clark School of Engineering, Fischell Department of Bioengineering to formulate the surgical bioengineering innovation program. We are happy have Dr. Wu back at the University of Maryland, Department of Surgery.
- The General and Oncologic Surgery Division added Dr. Richelle Williams. Dr. Williams completed her M.D., cum laude at the Harvard Medical School, Boston, Massachusetts. She was an Administrative Chief Resident at the University of Chicago Medical Center, Chicago, Illinois. She then completed her clinical fellowship in complex surgical oncology at the Dana-Farber Cancer Institute, the Brigham and Women's Hospital and the Massachusetts General Hospital all in Boston, Massachusetts.
- The Thoracic Surgery Division added Dr. Gavin Henry. Dr. Henry completed his M.D., Surgical Internship and Residency at the University of Maryland. After completing his residency, he stayed on at the University of Maryland as a Chief Resident in General Surgery, Cardiothoracic Resident in Cardiothoracic Surgery and Administrative Chief Resident in Cardiothoracic Surgery. He was the Section Chief of Thoracic Surgery, the Director of Thoracic Surgical

Oncology and the Program Director of the General Surgery Residency Program at St. Agnes prior to being recruited to join us. We are happy to have Dr. Henry back at the University of Maryland, Department of Surgery. Dr. Henry is building clinical practices at St. Agnes, Mercy, Howard County and the UMMC.

- The Thoracic Surgery Division added Dr. Shelby Stewart. Dr. Stewart completed her M.D. at the University of Michigan Medical School, Ann Arbor, MI. She was a surgical intern and resident at the Albert Einstein Medical Center, Department of Surgery, Philadelphia, PA. She then completed a Cardiothoracic Surgery residency at the Beth Israel Deaconess Medical Center, Department of Surgery, Boston, Massachusetts. She also completed a Clinical Fellowship in Minimally Invasive Thoracic Surgery at the Brigham and Women's Hospital, Department of Surgery, Boston, Massachusetts. Dr. Stewart is building her clinical practice primarily at the UM_St. Joseph Medical Center with the balance at the UMMC.
- The Transplant Surgery Division added Dr. Joseph Scalea. Dr. Scalea completed his M.D., Surgical Internship and Residency at the University of Maryland. After completing his residency, he completed a Post-Doctoral Fellowship at the Transplantation Biology Research Center at the Harvard Medical School, Boston, MA. He then returned to the University of Maryland and completed a General Surgery Residency Program in the Department of Surgery/ Shock Trauma Center as the Executive/ Administrative Chief Resident. Dr. Scalea completed his Transplant Surgery Fellowship at the University of Wisconsin, Madison, Wisconsin prior to joining us. We are happy to have Dr. Scalea back at the University of Maryland, Department of Surgery. Dr. Scalea is the Director of Pancreas and Islet Transplantation and is building our Pancreas Transplant program.
- The Vascular Surgery Division added Dr. Sira Dusan. Dr. Dusan completed her M.D. from Temple University, School of Medicine, Philadelphia, PA. She completed her Categorical General Surgery Residency at the Union Memorial Hospital, Baltimore, MD and our Vascular Surgery Fellowship at the MedStar Georgetown University Hospital/ Washington Hospital Center, Washington, D.C.
- The Program in Trauma added Dr. James Akras, Clinical Assistant Professor, Dr. Tsion Berhane, Assistant Professor, Dr. Michael Grant, Professor, and Dr. Terri Jackson-Niiquaye, Assistant Professor.
- The Department of Surgery also recruited Sudhish Sharma, Ph.D. as a Research Associate working in the Cardiac Surgery Division and Pornima Phatak, Ph.D., as a Research Associate working in the Thoracic Surgery Division.

FY2017 Departures

PHAM	SI	M.D.	Professor	Cardiac Surgery
KESMODEL	SUSAN	M.D.	Asst. Prof.	General & Oncologic
KUNKLER	KEVIN	M.D.	Instructor	General & Oncologic
VARGHESE	SHEELU	Ph.D.	Asst. Prof.	General & Oncologic
ZOU	TONGTONG	M.D.	Instructor	General & Oncologic
BLUEBOND-LANGNER	RACHEL	M.D.	Assoc. Prof.	Plastic Surgery
BERRY	CHERISSE	M.D.	Visiting Inst	Program in Trauma
FANG	RAYMOND	M.D.	Clin Assoc Prof	Program in Trauma
KROSS	MARC	M.D.	Clin Assist Prof	Program in Trauma
CRAWFORD	ROBERT	M.D.	Assoc. Prof.	Vascular Surgery

UMB 2017 Entrepreneur of the YEAR

Bartley P. Griffith, MD

School of Medicine

Thomas E. and Alice Marie Hales Distinguished Professor in Transplant Surgery

Founder, Breethe, Inc.

A world-renowned heart and lung transplant surgeon, Dr. Griffith struggled for decades to develop an artificial lung - one that wouldn't tie patients to a breathing machine in a hospital bed.

After 20 years, he achieved his goal, creating a portable, at-home device for artificial respiration.

To market this technology, which should help hundreds of thousands of patients each year, Dr. Griffith in 2014 worked with UM Ventures, the University of Maryland, Baltimore's commercialization arm, to found the company Breethe, Inc.

Based at the BioPark, Breethe, Inc. is deep into product development, funded to date through three rounds of equity capital with Dr. Griffith playing an active role.

Dr. Griffith, who came to the School of Medicine in 2001, has performed more than 1,250 heart transplants and nearly 700 lung transplants.

In 2010, when he was named UMB's Researcher of the Year, Dr. Griffith was credited with having "the most heavily funded cardiac surgery program in the United States" with \$25 million the previous decade.

In addition to his lung breakthroughs, Griffith was one of the early surgeons to implant a Jarvik heart, and he developed a pediatric heart pump.

Previously chief of cardiac surgery at the School of Medicine, Dr. Griffith recently raised funding to endow a joint chair between the SOM Department of Surgery and the Department of Bioengineering in College Park. The chair helps to create new medical devices.

Baltimore 2016 Best Doctors:

Cardiac Surgery:

Gammie, James M.D.
Taylor, Bradley M.D.
Finney, R.C. Stewart M.D.

Pediatric Cardiac Surgery:

Sunjay Kaushal, M.D.

General and Oncology Surgery:

Alexander, H.Richard M.D. – Surgical Oncology
Bafford, Andrea M.D. – Colorectal Surgery
Fitzpatrick, J. Lawrence, M.D. – General Surgery
Kavic, Stephen M.D. – General Surgery
Kligman, Mark, M.D. – Bariatric Surgery

Pediatric Surgery:

Moore, James M.D.
Strauch, Eric M.D.
Voigt, Roger M.D.

Pediatric Surgery - Urology

Lumpkins, Kimberly M.D.
Voigt, Roger M.D.

Plastic Surgery- Breast:

Slezak, Sheri M.D.

Transplant: Kidney, Pancreas, Liver:

Barth, Rolf M.D.
Bartlett, Stephen M.D.
Hanish, Steven M.D.
Lamattina, John M.D.
Schweitzer, Eugene M.D.

Trauma:

Scalea, Thomas M.D.
Stein, Deborah M.D.

Urology:

Kramer, Andrew M.D.

Phelan, Michael M.D.

Vascular Surgery:

Sarkar, Rajabrata M.D.

NEWS ARTICLES

Several news stories featured the Department of Surgery during fiscal year 2017. Inserted below are a sample of some prominent articles.

A Baltimore Sun story quoting Dr. David Leeser (UMMC / School of Medicine) and Dean Reece highlighting a [revolutionary kidney transplant procedure.](#), June 27, 2016

A Baltimore Sun story highlighting [former UMMS liver transplant patient Gavin Class](#) who fulfills his desire to compete by participating in the Transplant Games., August 24, 2016

[“Novel device for mitral device repair shows success in human study”](#), News Medical Life Sciences, July 19, 2016

[“New tool for mitral valve repair shows success in first human clinical trial”](#), Healthcare Business, July 19, 2016

[UM SOM; UMMC; Dr. Jonathan Bromberg: Organ donation on the rise as fatal drug overdoses mount](#) >*Baltimore Sun* - Aug 13, 2016

Dr. Jonathan Bromberg (School of Medicine) is quoted in [Science Daily coverage](#) of new research on autoimmune diseases such as multiple sclerosis., September 16, 2016

Dr. Minhaj Siddiqui (School of Medicine & UMMC) is interviewed in this [WBAL-TV story](#) highlighting a patient who underwent an MRI-guided biopsy., October 4, 2016

Dr. Emily Bellavance (School of Medicine & UMMC) is quoted in a [Reuters story](#) about a study examining the age of women and complications related to breast reconstruction procedures., November 9, 2016

Dr. Zachary Kon (UMMC) is quoted in this [MedPage Today](#) story about the ex vivo lung perfusion procedure., November 23, 2016

The [Daily Record highlighted](#) Dr. Joseph R. Scalea, who has received the American Surgical Association Foundation Fellowship. November 13, 2016

Dr. Joseph S. Friedberg (School of Medicine /UMMC) is lead author of a new study showing that lung-sparing surgery for patients with advanced mesothelioma results in prolonged survival. The news release is posted Newswise, December 14, 2016 [here](#).

This [Associated Press coverage](#) highlights a groundbreaking stem cell clinical trial for babies born with certain birth defects being led by the University of Maryland's Dr. Sunjay Kaushal. The joint UMMC/School of Medicine news release is posted [here](#). The story is featured in STAT news, which is viewed by thousands of medical professionals daily, and is a [featured link in their On-Call newsletter](#). Additional coverage via AP is included in more than 100 media outlets today nationwide, including [KABC-TV](#), the [Miami Herald](#), the [Houston Chronicle](#), the [Washington Times](#), [WBAL Radio](#), [FOX-45](#) and [Newswise](#)., December 20, 2016

Dr. Joseph Friedberg (School of Medicine & UMMC) is quoted in this [HealthDay story](#) highlighting a study that shows the benefits of lung-sparing surgery for mesothelioma patients. December 23, 2016

Transplant surgeon Dr. Rolf Barth, a living liver donor and recipient were featured in numerous media over the holidays including [Fox 45](#), [WMAR-TV](#), the [Baltimore Sun](#) and [Capital Gazette](#). December 25, 2016

Dr. Rolf Barth (SOM / UMMC) was interviewed for this [WMAR-ABC2 story](#) on organ donations and overdose victims. January 18, 2017

Dr. Joseph S. Friedberg (SOM & UMMC) is quoted in [Oncology Times](#) about a study he authored that showed patients receiving Multi-Modal Mesothelioma Treatment had better survival results. January 25, 2017

Dr. Joseph Friedberg (UMMC / UMGCCC / SOM) was interviewed remotely for this [WMDT story](#) highlighting a new telemedicine initiative between the University of Maryland Medical Center and Atlantic General Hospital. The [news release is here](#). May 8, 2017

Dr. Stephen Bartlett (UMMS) is quoted in [Capital Gazette / Baltimore Sun coverage](#) of Maryland House Speaker Mike Busch's liver transplant surgery from a living donor. Speaker Busch, who is also a UMMS Board member, is receiving care at UMMC. June 2, 2017

Dr. Cherif Boutros (SOM/UMBWMC/UMCMG) was interviewed on [WMAR-TV](#) about a new clinical trial for pancreatic cancer at BWMC's Tate Cancer Center. June 6, 2017

Cison PR Newswire – University of Maryland Medicine Established Nation's First Center of Cardiac Xenotransplantation Research with \$24 Million Grant and Addition of Tope Transplant Surgeon-Scientists, August 3, 2017

The Department of Surgery enters FY 2018 with a strong, efficient and expanding faculty, demonstrated excellence in educational, research and clinical arenas, and with solid partnerships with our School, our Campus and a rapidly expanding Medical System.

We have added four promising faculty for FY2018:

- Dr. David Kaczorowski will join us in the Division of Cardiac Surgery
- Dr. Hope Jackson will join us in the Division of General and Oncologic Surgery
- Dr. Samuel Sultan will join us in the Division of Transplant Surgery
- Dr. John Karwowski will join us in the Division of Vascular Surgery

Our Strategic Plan for FY2018 is as follows:

- Continue to align with UMMC on hospital intensive programs; Cardiac, Transplant, Thoracic, Vascular & Oncologic Surgery to increase market share
- Continue to expand service locations throughout Maryland, moving services to Southern Maryland and the VA/DC borders
- Add new provider contracts with Capital Regional Medical Center
- Rollout the revised Cost Saving Initiative (CSI) Plan
- Build the new Xenotransplantation Research Program and prepare for the renovation and design of the new research operating rooms
- Increase NIH submissions
