 - All letters of recommendation received by the department included in the packet even if exceeds the maximum number of five (per campus policy)
- **Reviewer Forms** * (to be completed by each external reviewer, placed after corresponding letter in the packet)
 - **Teaching Portfolio**
 - Candidates may contact the Office for Professional Development for assistance in developing or revising their teaching portfolio. The portfolio will include objective, quantifiable measures of teaching effectiveness (e.g., student evaluations, teaching awards or honors, etc.), as well as summaries of their teaching activities (teaching evaluations) and/or mentoring and advising activities, or provided peer evaluations. (Individual teaching evaluations are not acceptable). Teaching portfolios should also include curriculum design and any education administrative responsibilities.
 - If student evaluations are unavailable, current or past students, residents and/or fellows may be requested to complete a **Teaching Portfolio Student Mentee Review Form**. * Completion of forms should be solicited by the Department Chair, Department APT Chair or Division Head. (feedback from students should not be solicited directly by the Candidate). Limit the forms to 3 per student category (i.e., 3 letters from graduate students, 3 letters from medical students, 3 letters from residents, etc.). Please completed, signed forms in the back of the teaching portfolio. Comments on the forms should only address the candidate's effectiveness in teaching, not their qualifications for promotion.
 - The portfolio does not replace the teaching activities section in the CV. That section must still be included according to the CV format guidelines. The portfolio provides evaluative information not included in the CV.
 - Include in the promotion packet, a signed, dated **Verification of Mentee Solicitation Form**, * completed by the person who solicited any student/mentee feedback.
 - **Clinical Portfolio** (required for clinicians)
 - Candidates may contact the Office for Professional Development for assistance in developing their clinical portfolio. The portfolio will include any objective, quantifiable measures of clinical effectiveness.
 - The clinical portfolio does not replace the clinical activities section in the CV. That section should still be included according to the CV format guidelines. The portfolio provides evaluative information not included in the CV.
 - **Reprint List** (see **Sample Reprint List** *)
 - List of citations of 5 articles that have been published or accepted for publication in a peer-reviewed journal (reviews, book chapters, and invited articles are not accepted)

- Select the 5 papers that best demonstrate the candidate's capability to conduct investigation as an independent researcher
- Selected articles should be regarding research that was performed during the time period under review (the time period since the last promotion or initial appointment if this is the first promotion)
- Reprint List should include a heading with the title "Reprint List" and the name of the promotion candidate.
- Citations should be numbered.
- **Citation Report** - requested by APT Partner from Nicole Shelawala at HSHSL
nshelawala@hshsl.umaryland.edu
- **Demographic Form** * (candidate to complete)
 - Include the candidate's SOM email address and campus mail address for UMB/SOM. If campus mail address is unknown, use the department APT Partner's campus address
 - Make sure all questions are answered.
