The **Diversity Dinner and Celebration: Shaping Inclusive Excellence in Medicine** is a prestigious event dedicated to recognizing and celebrating the rich tapestry of diversity within the University of Maryland School of Medicine. This gathering honors faculty and alumni for their outstanding contributions to the community, while highlighting the school's unwavering commitment to fostering inclusivity in medical education and practice.

Proceeds from the event will support the **University of Maryland Medicine Diversity, Equity, and Inclusion Fund**, broadening opportunities and resources essential to cultivating a truly inclusive environment. A portion of these proceeds will also benefit the Dean Emeritus Donald E. Wilson's Endowed Scholarship Fund, a foundational fund that empowers the talents of underrepresented individuals in medicine.

Rooted in the spirit of unity, this celebration not only showcases the remarkable achievements that arise from the spirit and practice of diversity and inclusion but also advances our collective efforts toward equal access and excellence in medical education and practice.
