Head and Neck Surgery  
Marlene & Stewart  
Greenebaum  
Comprehensive Cancer  
Center  
University of Maryland  
Medical Center  
***Institute for Genome  
Sciences***

## GUEST SPEAKER

As a cancer biologist with a background in pharmacology, Dr. Gaykalova is working to develop novel cancer therapies, particularly for tumor types that lack effective disease-specific treatment options, such as head and neck squamous cell carcinoma

Dr. Gaykalova will present at this month's all-member meeting on her work with Head and Neck Cancer Disparities.

FRIDAY

**NOV. 18**

12 – 1 P.M.
