Present

ASSESSMENT TOOLS for OLDER ADULTS: A Multidisciplinary Clinical Skills Workshop

This workshop is funded through the Geriatrics and Gerontology Education and Research (GGEAR) program at University of Maryland Baltimore. The workshop is **FREE** for health professions students attending University System of Maryland Institutions.

Friday, April 12, 2024

11:30 am to 4:15 pm

The Meeting House

5885 Robert Oliver Place; Columbia, MD

Workshop Features:

Concurrent workshops to develop clinical skills relevant to the assessment and care of older adults.

A team approach in geriatrics and the value of each discipline's expertise.

Students work in interdisciplinary teams to review a geriatric case study.

Participate in four workshops throughout the afternoon.

Reconvening with their team to reconsider the case vignette.
