

Curriculum Vitae

Mohammed Nurul Amin, M.Sc. PhD.
Research Associate, Center for Vaccine Development.
University of Maryland School of Medicine, Baltimore.

Date October 19th, 2016

Contact Information

Business Address: Center for Vaccine Development.
685 West Baltimore St., HSFI 480
Baltimore, MD 21201 USA.

Business Phone Number: (410) 706-5509

Email: mamin@medicine.umaryland.edu

Languages: English, Bengali (native). Can speak Japanese.

Education

- June, 2000 B.Sc. (honours), Chemistry, University of Chittagong, Bangladesh.
(Date of Publication of Results: June 2000; Exam year: 1997, held in Nov. 1999-May 2000)
- Aug, 2002 M.Sc., Organic Chemistry, University of Chittagong, Bangladesh.
Title of thesis: Synthesis and Biological activities of some selectively acylated derivatives of L- lyxose. Supervisor: Prof. A. K. M. Shahjahan Kabir.
(Date of Publication of Results: Aug, 2002; Exam. year: 1998, held in Apr. 2001-Aug. 2002)
- Sep, 2007 Ph.D., Carbohydrate Chemistry, Saitama University, Japan
Title of thesis: Synthesis of N-Glycan from Pathogenic bacterium *Campylobacter Jejuni*.
(Major department Biological and Environmental Science; Courses: Glycoscience, Chemical Biology, Organometallics, Special studies in Synthetic Carbohydrate Chemistry)
Supervisor: Prof. Yukishige Ito.

Post Graduate Education, Training and Employment

- Oct, 2007 – Aug, 2008 Contract Researcher, Synthetic Cellular Chemistry Laboratory. Advanced Science Institute, The Institute of Physical and Chemical Research (RIKEN), Japan.
Supervisor: Prof. Yukishige Ito.
- Sep, 2008 – Jan, 2015 Postdoctoral Researcher, Institute of Human Virology of University of Maryland School of Medicine, Baltimore. MD 21201, USA.
Supervisor: Prof. Lai-Xi Wang.
- Jan, 2015 – Oct, 2015 Postdoctoral Research Associate, Department of Chemistry and Biochemistry, University of Maryland, College Park. MD 20742.
Supervisor: Prof. Lai-Xi Wang.
- Oct, 2015 – Sept, 2016 Postdoctoral Fellow, Center for Vaccine Development at University of Maryland School of Medicine. Supervisor: Dr. Raphael Simon.
- Sept, 2016– Present Research Associate, Center for Vaccine Development at University of Maryland School of Medicine.

Professional Society Membership

Current Membership

2009-Present: Member, American Chemical Society (ACS).

2009-Present: Member, Division of Carbohydrate Chemistry (CARB), American Chemical Society.

2009-Present: Member, Chemical Society of Maryland Section of ACS.

Past Membership

2001-2002: Vice President, Chittagong University Chemical Society, Bangladesh.

2005-2007: Member, Japan Society for Carbohydrate Research (JSCR).

2005-2007: Member, Japan Society for Bioscience, Biotechnology and Agrochemistry (JSBBA)

2013-2015: Member, American society for Biochemistry and Molecular Biology (ASBMB)

2013-2014: Member, Society for Glycobiology (SFG)

Honors and Awards

2000 Awards for First class 1st position in B.Sc.(Honours) examinations; University of Chittagong, Bangladesh.

2000 Awarded Late Shahidul Latif memorial scholarship for First class 1st position in B.Sc.(Honours) examinations; Department of Chemistry, University of Chittagong, Bangladesh

2002 Awards for First class 1st position in M.Sc. examinations; University of Chittagong, Bangladesh.

2004-2007 Awarded a “MONBUKAGAKUSHO” (Ministry of Education, Culture and Sports, Government of Japan) scholarship for Doctoral Research.

2014 NIH & FDA Glycosciences Research Day 2014, Best Poster Award.

Teaching Service

2001-2002 Teaching and research advising to the apprentice thesis students during own M. Sc. thesis work (2001-2002), Organic Chemistry Laboratory, Department of Chemistry, University of Chittagong, Bangladesh. Theoretical Organic Chemistry lecture to undergraduate students groups of Department of Chemistry (10-12 students/groups, Private settings).

2008-2014 Teaching and Research advising to the PhD students, other postdoctoral fellows, technical staff and Graduate rotation students in the laboratory while working as Senior fellow. Department of Biochemistry and Molecular Biology, Institute of Human Virology, University of Maryland School of Medicine. Baltimore, MD 21201, USA.

2015 Teaching and Research advising to the PhD students, postdoctoral fellows beside performing own research as a senior postdoctoral Research associate, Department of Chemistry and Biochemistry, University of Maryland, College park, MD 20742.

2016-Present Teaching and Research assisting to technical staff/fellows at current position in Center for Vaccine Development, University of Maryland School of Medicine, Baltimore.

Publications

Peer-reviewed journal articles
