### **Work Experience**

#### **Certified Nurse-Midwife and Instructor, School of Medicine - April 2024 to Present**

*University of Maryland, University of Maryland Medical Center - Baltimore, MD*

Provides full-scope clinical midwifery care to a diverse and predominantly socioeconomically disadvantaged patient population in a teaching hospital setting. Conducts clinical consultation sessions in-person and through telemedicine sessions. Trains, mentors and evaluates medical students, fostering critical thinking while promoting patient-centered care in a high-risk patient population. Collaborates effectively with interdisciplinary teams to enhance learning and clinical outcomes.

#### **Certified Nurse-Midwife - January 2015 to April 2024**

*Advantia Health/Simmonds, Martin & Helmbrecht / Midwifery Care Associates - Rockville, MD*

Provided full-scope midwifery services in the hospital setting. Practiced evidence-informed care, incorporating research findings and medical best practices. Conducted clinical consultation sessions in person. Informed and advised patients and family members about diagnostic test results, disease processes, and therapeutic regimens. Prescribed medications. Consulted and collaborated with other members of the healthcare team. Created a practice-wide quality improvement program for depression screening as a doctoral-program project.

**Certified Nurse-Midwife - January 2014 to December 2014**

*Elite Ob/Gyn Associates - McLean, VA*

Provided women's health care services, including antepartum and postpartum care. Evaluated, diagnosed, and managed care for patients from the age of adolescence to beyond menopause.

**Certified Nurse-Midwife - July 2013 to December 2014**

*BirthCare and Women's Health - Alexandria, VA*

Provided a range of women's health services in an independent, freestanding birth center, including antepartum and postpartum care, as well as lactation services.

**Adjunct Clinical Faculty - August 2012 to May 2014**

*George Mason University, Fairfax, VA*

Supervised accelerated BSN students in hospital labor and delivery, and postpartum units. Developed and managed online assignments and learning activities using BlackBoard and SIM platforms.

**Registered Nurse / Birth Assistant - January 2006 to December 2014**

*BirthCare and Women's Health - Alexandria, VA*

Attended over 400 births in home and at the freestanding birth center. Performed prenatal, intrapartum and postpartum evaluations and assessments. Assisted midwives in emergency procedures.

**Childbirth Educator - January 2000 to December 2014**

*The Bradley Method of Husband-Coached Childbirth, Alexandria, VA*

Taught more than 450 couples in 75 12-week series of two-hour classes. Engaged students in a variety of learning activities including hands-on exercises, video presentations and quizzes.

**Volunteer Work Experience****Executive Board Member 2021-2024**

*Monetary Investment for Lactation Consultant Certification (MILCC)*

Served as board Chair and Treasurer of the non-profit scholarship arm of the International Board of Lactation Consultant Examiners (IBLCE). Created primary award determinants, chose awardees and provided strategic executive input on fundraising and outreach.

**Board Member November 2014-2020**

*International Board Lactation Consultant Examiners (IBLCE), Fairfax, VA*

Served on the Executive Committee as Treasurer, managing a multi-million-dollar budget. Served in various roles, such as Chair of Exam and Ethics Committees and as subject matter expert.

**La Leche League Leader January 2002 to September 2021**

*La Leche League (LLL), Alexandria, VA*

Led local monthly support group for breastfeeding dyads. Facilitated discussions on the benefits and challenges of breastfeeding, nutrition and weaning.
